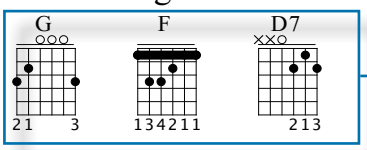
Sugarfoot Rag

Beginner



These are all the chords used in this tab.

Capo is placed on the 2nd fret to play in the key of “A Major” in lieu of “G Major”

Standard tuning

These notes before the score begins are referred to as pickup notes

These notes are played in the 3rd position. Notice the left-hand fingering. Keep your hand here even when playing the open first string notes.

♩ = 120

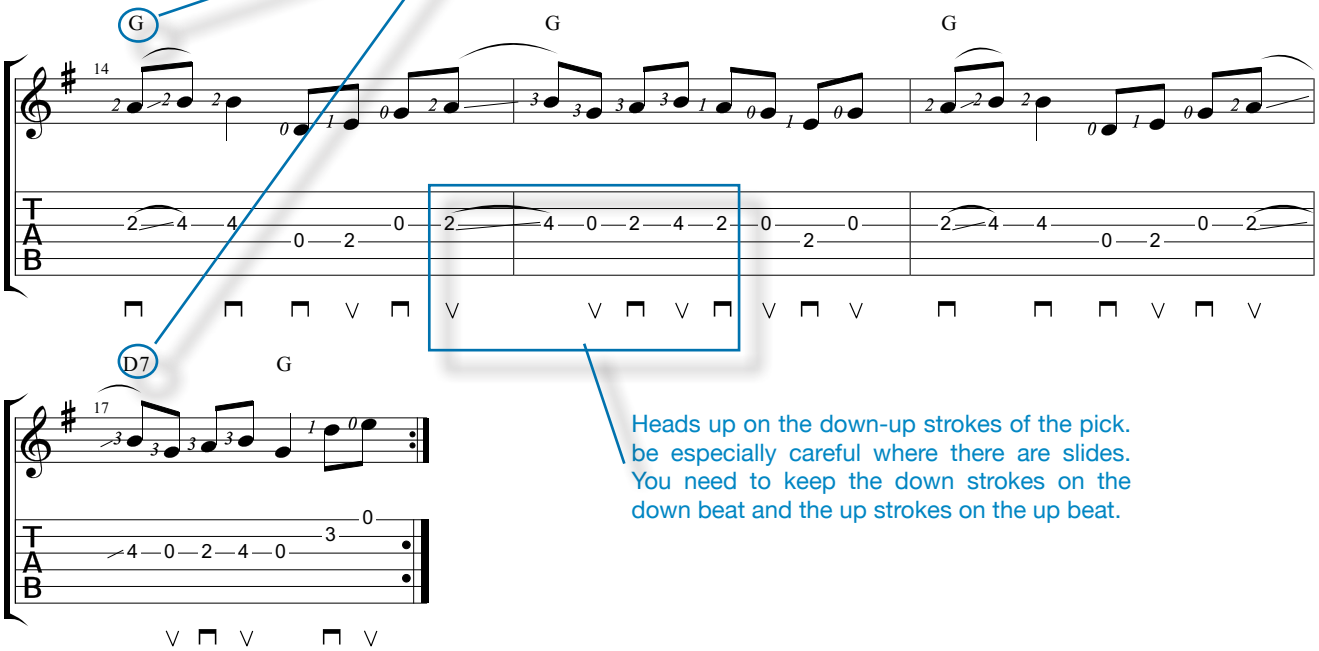
S-Gt

Capo. fret 2

Slide with your 1st finger and hold the 3rd position

Slide up with your 2nd finger and hold to pick the b note

Keep and eye on the rhythm chord changes as this will give you a clue as to the chord forms to use in the lead guitar playing.



Heads up on the down-up strokes of the pick. be especially careful where there are slides. You need to keep the down strokes on the down beat and the up strokes on the up beat.
